HOOKED ON SCHOOL DAYS

Perseverance makes a world of difference.

ACTIVITY SHEET

SCHOOL PERSEVERANCE STICKY NOTES

Activity idea: high school, young adults

This simple idea can be done everywhere (schools, organizations, youth centres, at home, etc.) On a piece of cardboard hung on the wall, write, “School perseverance is…”. Encourage young people to answer the question on a sticky note (Post-it brand or other). Stick the notes around the cardboard to create a mural. You can also use the HSD + icons to add a little “+” to your mural.

Take a picture of your mural and share it on your social media accounts using the hashtag **#JPS2025**, or post it on your school board’s website. You can find these printable + icons in the toolbox on our website: **journeesperseverancescolaire.com**
