

Dessine l'équation de ta réussite!

Diagram illustrating the equation of success:

Four empty rectangular boxes are arranged horizontally, separated by plus signs (+). The first box has an orange border, the second a teal border, the third a red border, and the fourth a purple border. Each box has a small colored plus sign (+) to its right. The boxes are followed by an equals sign (=) and the text "Ma réussite".

Below each box is a small rectangular area with a dotted line, intended for drawing or writing.
